Keystone Sanitation Landfill

Dear Mr. Corbett:

Copies of the final Keystone Sanitation Landfill sample results maps have been sent to Jeanne Bechtel, of the Saint Mary's United Church of Christ, and to Ray Van de Castle, of the Hanover Public Library, for inclusion in the information repositories. In addition, the index for the repository has been updated to include the new documents, and copies of the new index were sent to Ms. Bechtel and Mr. Van de Castle. I have enclosed an updated index for your records.

If you have any questions, please feel free to call.

Sincerely,

Deborah B. Feeney

Keystone Sanitation Landfill

Dear Mr. Van de Castle:

Halliburton NUS Corporation (HNUS) is under contract to the United States Environmental Protection Agency (EPA) to provide environmental support services. As part of this contract, we have been tasked with the responsibility for updating the information repository, located at the Hanover Public Library, for Keystone Sanitation Landfill.

I have received one new document to be added to the repository. Please add the documents to the box that serves as the information repository for Keystone Sanitation. In addition, I have updated and enclosed the last page of the repository index; please replace the last page of the index now in the repository with the enclosed page. Thank you very much for your assistance.

If you have any questions, please feel free to call the HNUS project manager, William Wentworth, or me at (610) 971-0900.

Sincerely,

Deborah B. Feeney
Community Relations Coordinator
